The Parish is governed by a president who carries out the policies adopted by the council, the legislative body of the Parish. As chief administrative officer, the Parish President supervises all Parish operations except for the offices of the Jefferson Parish Sheriff, Clerk of Court, Assessor, Coroner, District Attorney, and the Public School Board. These agencies are legally separate from the Parish Council. The council, composed of a councilmember at large and six district councilmembers, levies taxes, special assessments, service charges, and license fees.

Council District Plan

[Home](#)

Below is the current Council District plan and the plan adopted on March 20, 2002 based upon the 2000 U.S. Census (Ordinance No. 21536, V4 E Alternate 1), please click here.

The districts are drawn using the precincts developed for use during the next Council election. Because of a STATE requirement that all precincts have visible physical boundaries, some precinct lines have been moved. In addition, a precinct may have been merged with an adjacent one.

THE NEW PLAN WILL BE IN EFFECT FOR THE CANDIDATES RUNNING FOR THE COUNCIL IN 2003 AND FOR THE PERSONS ASSUMING OFFICE IN 2004.

Note that particularly in the cases of the municipalities for the PURPOSES OF PRECINCT BOUNDARIES ONLY, precincts may cross municipality boundaries.

If you have any questions or comments concerning reapportionment in Jefferson Parish, you may send an email to reapportionment@jeffparish.net or contact Jefferson Parish Council, Research and Budget Analysis Staff, Room 723, P.O. Box 9, Gretna, LA 70054-0009.
